# WHATEVER YOUR PASSION

**WE'VE GOT YOU COVERED!**

## Run for Class Rep!

**UCD** STUDENTS'  
**UNION**

## USE YOUR VOICE

Be part of something bigger than yourself. Represent your classmates and fight with us for positive change like affordable accommodation, a sustainable future, investment in education, supports on campus and an end to the inhumane system of direct provision.

## MEET PEOPLE WHO SHARE YOUR PASSIONS

Be part of forming your own community, get to know your classmates and meet people who share your passions. You'll be able to set up free coffee mornings and casual socials when it's crunch time for your course and face the same uphill battle together.

## HELP YER MATES GET EXTENSIONS

Be the one to talk to your lecturer about that bullshit grade you got in your Sociology essay. Make sure you're getting feedback within 30 days, get lecture notes shared online or get a due date extended - convenient how they're all scheduled for the same week, huh?

## GET SOCIAL

Organise legendary nights out with help from your ENTs Officer. Order class hoodies with that oh-so-witty tagline. Guzzle cheaper-than-water pints in Prague on your class trip abroad. Whatever it is, we've got you covered.

## POLISH YOUR SKILLS

Develop your communication and public speaking skills. Learn how to lobby a politician, email a lecturer and organise a big dirty night out. All with the support of your Union behind you.
