- Student Journey, students success in HE
- Casework

Plans

- ESHTe conference
- DAW/SNAG

AB: What is meant by mapping experience?

SC: not to do with UCD but entire process, when does a student feel like a student, transitioning from school to college, characterise what students feel is important

AB: what's UCD's reason for carrying out survey?

SC: Biggest issue with institutions is that they don't understand student experience, do not understand how this maps out for students, how it can be translated to national level

Report approved.
